JHARKHAND GETS ITS THIRD STEEL PLANT

A 0.6 million tonnes per annum (MTPA) wire rod mill set up by Jindal Steel and Power Limited was inaugurated by Union steel minister Virbhadra Singh (from left, third) on Saturday in the presence of chief minister Shibu Soren (fifth) and his cabinet colleagues including Sudesh Mahto (first) and Raghubar Das (extreme right). Also present on the occasion were Union minister Subodh Kant Sahay (second) and JSPL managing director Naveen Jindal (fourth).

Steel plant in Asanboni, power plants at Dumka and Godda

THANK YOU

"So many other corporate houses have dreams of setting up steel plants in Jharkhand. But, we have succeeded in our mission ahead of others because of the cooperation of the local people and the state government."

NAVEEN JINDAL
