## Media Release

### JSPL Records Domestic Steel Production of 1.23 Million Tonnes in Q1 FY2019

**Achieves 46% y-o-y growth in Steel Sales and 36% y-o-y growth in Steel Production**

**Highest Ever First Quarter Domestic Steel Production**

**Highest Ever Monthly Pellet Production at JSPL's 9 MTPA Pellet Plant at Barbil**

---

**New Delhi, 3<sup>rd</sup> July 2018:** Jindal Steel and Power Limited (JSPL), India's leading steel and power major, has recorded **Highest Ever First Quarter Domestic Steel Production during April – June 2018**. The domestic crude steel production at JSPL's integrated steel plants at Angul and Raigarh during the quarter April – June 2018 clocked a **record 1.23 Million Tonnes, i.e. a rise of 36%** from 0.90 Million Tonne, a year ago. JSPL also recorded a **46% growth in domestic sales during Q1 2018-19 to 1.18 Million Tonnes**, up from 0.81 Million Tonne in Q1 of the previous fiscal. The 9 MTPA Pellet Plant also recorded its highest ever production during the month of June 2018, bettering all its previous records.

*"JSPL is on course to translate its blueprint for enhancing capacity utilizations and efficiencies across all its steel plants. While the ramp up at our 6 MTPA steel plant at Angul is on desired trajectory, the steel plant at Raigarh has set new benchmarks of exceeding excellence",* Mr. NA Ansari, CEO – Steel Business, JSPL said. *"We are confident of further accelerating the growth momentum, both in production as well as sales, in the forthcoming quarters to record FY 2018-19 as the best ever year in JSPL's history",* he added.

#### Key Highlights:

**Angul (Odisha): India's Most Modern 6 MTPA Integrated Steel Plant:** Highest Ever Billet and TMT Rebar Production in June 2018; Highest Ever Crude Steel Production on a single day, with record breaking 37 Heats

**Raigarh (Chhattisgarh): Amongst World's Most Efficient Integrated Steel Plants:** Best Ever Monthly Production at Blast Furnace 1 and Medium & Light Structural Mill (MLSM); Record sales by Rail Mill and MLSM SBU during June 2018

**Barbil (Odisha): India's Largest Single Location 9 MTPA Pelletization Complex:** Highest Ever Monthly Pellet Production during June 2018

On the global front, Jindal Shadeed - JSPL's subsidiary in Oman, also recorded the best ever quarter in its history, clocking its highest ever crude as well as finished steel production and sales during April – June 2018. On 24<sup>th</sup> June 2018, Jindal Shadeed's 1.5 MTPA Bar Mill - *the largest in the world*, set a new world record of highest single day production of over 5000 Metric Tonnes by any Bar Mill world over.
